

SUMMER INTERNSHIP OPPORTUNITY

The California Air Resources Board is one of the world's leading air and climate pollution regulators. The Board's Legal Office provides interns with a variety of opportunities supporting the Board's greenhouse gas, criteria pollutant, and air toxic programs.

Now accepting applications on a rolling basis for Summer 2017.
(1Ls may apply after December 1 if positions are available.)

To apply, send cover letter, resumé, transcript, references, and writing sample to:

Craig Segall
Senior Counsel
California Air Resources Board
